2 Approval of previous minutes

Hannes Kaulio

3 Notes

- Resources from Natasha - through Volvo

4 Discussion

The meeting started with going through our progress since last and how we are planning to move forwards.

User NDA's and safety around testing/user experience can be discussed in "Problem/Method".

Assets will be the main expense. Another option could be for a booth to showcase the software.

5 Decisions

- It was decided to change the location of supervisor meetings to be on discord.
- Natasha will look through the project planning report before submission.
